

Mozambique Affirmations of Faith

AFFIRMATION OF FAITH

by Eduardo Campana, GBGM Missionary in Latin America
Translated from Spanish

Leader: We believe there is no condemnation for those who are united in Christ.

People: Because God loves us and knows us. Because God gives us a second opportunity. Because God helps us to learn and transform our lives.

Leader: And we know that God dispenses all things for the good of those who love him, those he has called in accordance with his purpose.

People: Because God wants all of us to be a light in the darkness. Because God wants all of us to pour our gaze on Jesus who triumphed over death, over lies and fears. Because God's kingdom is of justice and peace for all God's sons and daughters.

Leader: We are sure that life nor death, nor angels nor spiritual powers, nor things present nor future things, nothing high or deep or anything else in this creation, will be capable of separating us from the love of God shown to us through Jesus Christ.

People: In this we believe and trust. In this hope we educate our children. In this faith we work and are encouraged.
